Re: Local Rules Revision

---

The United States Bankruptcy Court for the Middle District of Alabama has formed a committee to consider and suggest proposed revisions to our Local Rules. I am honored that the committee has appointed me to serve as the Chair.

Over the next several weeks the committee has been charged with developing proposed revisions to our Local Rules. The committee has scheduled its second meeting to consider proposed revisions. In preparation for the upcoming Local Rules committee meeting, we would like to solicit suggestions from the Bar regarding our Local Rules. We would appreciate your submitting your suggestions to the committee with reference to the Rule number to be affected.

We have created a special email account to receive your suggestions or comments regarding our Local Rules. If you have either suggestions for revision to our Local Rules or comments on how our current Local Rules are working in your practice, we would invite you to email your suggestions and/or comments to my attention at [localrules@ch13mdal.com](mailto:localrules@ch13mdal.com). Please use this email address only for your suggestions and/or comments regarding our local rules.

Thank you for your consideration in this matter. We look forward to your suggestions.
